

25th Polish Conference of Chemical and Process Engineering

We invite you to participate in the jubilee edition of the conference, to be held in September 2026 in Krakow. The event is organized by Cracow University of Technology under the auspices of Committee of Chemical and Process Engineering of the Polish Academy of Sciences. This long-standing event gathers researchers, academics, and industry professionals to share the newest achievements in chemical and process engineering, driving today's progress across multiple domains.

Join us to exchange ideas, explore innovations, and help shape the future.

We look forward to welcoming you in Krakow!

*On behalf of the Organizing Committee
dr hab. inż. Katarzyna Bizon, prof. PK, Conference Chair*

Participants are invited to submit abstracts within the following thematic sections, reflecting the broad, interdisciplinary scope of modern chemical and process engineering:

- **Transport Phenomena and Chemical Reaction Engineering**
- **Energy Transition, Circular Economy, and Sustainable Process Development**
- **Bioprocess, Medical, and Pharmaceutical Engineering**
- **Simulation, Digitalization, and AI in Chemical Engineering**
- **Modern Trends in Chemical Technology and Materials Engineering**
- **Forum for Young Researchers**

Key dates:

- December 1, 2025 – start of registration & abstract submission
- March 15, 2026 – abstract submission deadline
- April 30, 2026 – early-bird registration payment deadline
